17. Field Trip / Class Party Cancelations:

Even though we work with all of our schools to ensure that their calendar is updated with all school holidays, and minimum days, we do not know when an individual class will be taking a field trip or having a class party. It is the parent's responsibility to cancel this lunch within the cancelation deadline to receive credit for that lunch.

18. What do I do if my child will not be in school today?

Sometimes unforeseen events happen and we understand children can get sick, and although we are very sympathetic to our families, by morning the lunches are packed and on their way to the schools.

Additionally, Schoolhouse Grill realizes students will miss a certain number of days due to illness or inclement weather and has factored this into the pricing of the meals. If you would like to pick up your child's lunch, please call the school to arrange a time to pick up the meal. Schoolhouse Grill will not provide a refund for cancelations made with short notice.

19. What Is Schoolhouse Grill's inclement weather/snow day policy?

On the third (3rd) consecutive day the school is closed due to inclement weather Schoolhouse Grill will automatically issue a 100% refund for third day. The refund will be issued directly back to the account wallet. Please allow 7-10 business days for this credit to appear on your account wallet. Please note Schoolhouse Grill has priced the meals anticipating some inclement weather closures.

20. What is the policy in the event of a class closure due to Covid-19?

Schoolhouse Grill does not know when an individual class will be closed due to Covid. It is the parent's responsibility to cancel this lunch within the cancelation deadline to receive credit for that lunch.
